# Company Profile

Donglin is the manufacturer with 300 workers, located in Kaiping City, Guangdong province, is constructed upon 20000 square metres.

The products are well selected to meet our clients' requirements of all segments, either individual or projects requirements.

Our target is to offer high quality products for our OEM clients. To get their satisfaction is our main driver.

Our products are using components carrying many universal certificates like NSF, CE, ACS.

We specialize in producing faucets by gravity casting machine and CNC.

Moreover, our lab is prepared to comply with requirements of national and international standards.
